

Weekly News Letter

19 September 2008

Dear Parents,

As many of you may have seen, the floor base has now gone down for the new building and on Monday the timber frame should be arriving. Hopefully, with the good weather we should now see work progressing at a pace. Before the floor was laid the children buried a time capsule containing various pieces of work, pictures, photographs, information booklets, newspapers, etc and once the building is complete a plaque will mark the place of its burial. By the way, I spoke to the contractors about their deliveries on the first day of term and reminded them of our agreement so this should not happen again!

It has been noted that yet again, parents are parking in the road along the church wall instead of using the perfectly adequate car park. We have asked many times that you refrain from doing this for very good safety reasons but it seems to be being ignored by a few parents. The Parish Council as well as ourselves are very concerned about this and we will be asking our local community police officer to investigate and take any action necessary.

Many thanks to all those parents who attended the PTFA AGM on Monday. The new officers are as follows:

Chair:	Mrs K Jobson	Advertising & newsletter:	Mrs D Overton
Vice Chair:	Mrs L Holmes	Raffle:	Ms G Stoddart
Treasurer:	Mrs E Lane	Refreshments:	Vacancy
Secretary:	Mrs K Joyce	Second Hand Uniform:	Mrs N Cilia-Herbert

General Committee Members: Miss B Anning; Mrs L Knowles; Miss J Mear; Mrs L Quincey

I am sure you would all like to thank them for taking on these roles so our school, and your children, can continue to be well supported and thank you also to those parents who volunteered to serve on the new committee. A list of members will be circulated soon. As you will see there is a letter attached from the PTFA with a form for you to return if you can offer any help for our forthcoming Jumble Sale.

Finally, the DCSF has yet again updated the Fair Processing Notice and we are charged with sending out a summary to all parents of current pupils. The full 'Notice' will be placed on our website and in our prospectus for future parents and it is also available from the office as a hard copy on request.
