

Weekly News Letter

5 December, 2008

Dear Parents,

As we are now in December, Christmas preparations are gathering pace. As you know, our 'Celebration of Lessons and Carols' is being held next week. We are putting it on Wednesday afternoon at 2pm and on Thursday evening at 7pm. We anticipate it will last for about one hour and there will be refreshments at the end hopefully at the rear of the church. The children have been working hard and will be singing both traditional carols and modern upbeat numbers, mixed in with lessons and acting to tell the Christmas Story. Please will you bring all children down to the school to either the ICT Suite or Axe Class between 6:30pm and 6:45pm for the evening performance. **Children in Coly and Yarty Classes need to be in school uniform.** After both performances children will be taken back to school and they must be collected from there.

There will be no Homework Club next week and this will start again in the new term. The sporting clubs will be on next week.

Accompanying this newsletter is a letter from the PTFA about the disco being held on Tuesday, 16 December.

Please don't forget that the PTFA are holding a Cake Sale at the end of school this Friday and next. The sale will be down at the school and I will take Coly Class down there for the end of the day and they can be collected from there.

Next week the children will be making their puddings with Mrs Adair. On Thursday, 18 December Coly Class will be rounding off their Design Technology unit of work for this term by making bread rolls. The school will supply the basic ingredients but the children have been asked to bring a clean apron and kitchen board to work on, plus any ingredients such as dried fruit, nuts etc they want to add to their bread.

Mrs Adair has been informed by the catering service that from the start of the new term she is no longer to offer sandwiches as a menu option. However, jacket potatoes will still be available with a filling of: cheese, beans, cheese and beans or tuna.

Please find attached the next issue of 'Raring 2 go' and an invitation from the Baptist Church.

Finally, don't forget the Bingo this Saturday in the Village Hall. I will be calling the numbers so I hope to see you all there.

Malcolm Bettison
