

Kilmington Primary School
Parent Teachers & Friends Association

October 2008

Dear Parent

Thank you so much to all those parents and friends of Kilmington Primary School who came to help at the Jumble Sale on Saturday. There was the usual amount of jumble to be picked up and sorted and it was really wonderful to see so many new faces supporting this important fundraising event for our school. I am thrilled to say that through these efforts around £350 was raised. So a huge, ThAnK You!!!!!!!!!!!!!!

On Friday morning this week is a coffee morning at my house which starts straight from school drop off until 11am. A donation of £1 would be appreciated for the school funds. There will be a second hand book table, a raffle and a cake stall. Please come along, you would be very welcome - Sheringham, Horslears, Axminster tel. 631699 - directions at the bottom of this letter.

On Saturday evening this week there is a Quiz Evening which starts from 6.30pm in the Village Hall. Hot dogs and burgers will be available and the cost to enter the quiz is £1 which includes a glass of wine. Please do come along and support this event.

I am hopeful that there will be a couple of new fundraising ideas to be discussed at the next PTFA Meeting which is to be held on Tuesday 4th November in School to commence at 7pm. Dips and wine along with tea and coffee will be available. Please come along - I and the rest of the committee hope to see you there!

Best wishes,

Kathy Jobson, Chairman Kilmington PTFA

PS - Please carry on selling the Grand Community Raffle tickets - Spotty Chicken gift shop in Axminster kindly donated a £15 voucher as the School's contribution to the prize fund. Money and any unsold tickets must be returned to school by Friday 7th November. There's still plenty of time - Good Luck!

Take the turning for Seaton & Musbury off the A35. Go down the slip road and turn right at the T junction in to Axminster. You will go down a hill and before the road goes back up the hill there is a turning on the left signposted Gamberlake, leading to Dragonsmead and Horslears and No Through Road. Turn here, follow the road around a left turn, past some bungalows and then there is a sharp left hand turn - you will see the sign Horslears. My house is on the left hand side - my silver car will be parked in the drive.
