

Weekly News Letter

2 October, 2009

Dear Parents,

Congratulations to our Swimming Team who took part in the Year 5 and 6 Gala at the Flamingo Pool on Tuesday. Out of eighteen events the children gained fourteen first places, three second places and one third place. I'm sure you will all agree this was a fantastic achievement by the children who took part. Well done to all.

Congratulations also to Charlotte, Millie, Logan, Laurie, James O, Jed and Jessie for having the healthiest Lunch boxes on the day of the spot check this week. It was a suggestion of the children on the School Council that we hold a spot check without warning and celebrate the children with the healthiest Lunch Boxes. So as well as receiving a certificate today in Assembly, each child will receive two vouchers for free tuck at our Healthy Tuck Shop. We plan to hold similar spot checks every half term.

Next Thursday, 8 October is Woodroffe Open Day from 9:30 to 11:30am. If any parent is wishing to take their Year 6 child to this could they please let us know so we are aware of where the children are and it will save Mrs Harding having to telephone around unnecessarily.

Accompanying this letter is information about the Individual and Family Photographs being taken in school next Friday, 9 October. As well as the usual photographs I will be asking the photographer to take pictures of the Head Boy and Girl, plus their deputies, together with playtime monitors and school councillors. As with last year they will get a copy to keep to celebrate their office.

Also on Friday, PSCO Amanda Jones will be available in the playground between 8:30 and 9am to meet you and discuss any concerns you may have.

Ms Doyle is planning to hold another 'Dads in School Day' in the week beginning Monday, 12 October. There are a number of DIY jobs that need doing and it was, again, a suggestion from the School Council to hold another of these days as the children really enjoy seeing their Dads, Grandads, etc in school. If you can help will you please complete and return the form on the attached flyer.

Parents of children in Year 3 and 4. Attached to this letter is information about a residential trip we are planning to undertake in the New Year to Hooke Court in Dorset. As we did before if the trip goes ahead we will take the Year 2 in Yarty Class for the day only on the Tuesday to join the other children who are staying there.

Also with this letter is one from the PTFA with details of forthcoming events, etc.

Individual Photographs

2 October, 2009

Dear Parents,

Tempest the Photographer is coming to take individual and/or family photographs on Friday, 9 October. The photographs will be taken in the ICT Suite and we request that if you wish to bring pre-school siblings that you do so from 2:45pm onwards.

Could I ask you to fill in the form below to let us know, for organisational reasons, what kind of photograph you wish to have taken. If you just wish an individual photo of your child/children there is no need to send the form back.

Yours sincerely,

Malcolm Bettison

Please return by Wednesday, 7 October

Please tick

- No Photograph
- Siblings together with Pre-school children
- Siblings together with Pre-school children and individual photos
- Siblings together with no Pre-school children
- Siblings together and individual photographs

Signed _____

Dad's and Granddad's in school

Children really benefit from seeing their parents in school and boys especially love to have their Dad's in school so we are planning another

'Dad's and Granddad's in School Day'

The School Council have asked if the shipwreck area can be repainted.

It is a very well used area and it is years since it has been done.

It would probably take 2 or 3 days for a group of enthusiastic men and the children have got lots of ideas!

Week beginning 12 October.

I am willing to help paint during Dads in School Week
