

Kilmington Primary School PTFA Quiz Evening

Dear Parents

As many of you know the annual rounders and bbq evening usually held during July had to be cancelled this year due to the weather. It is a particularly sociable and fun event and many families were disappointed it did not take place. As an alternative for this year we are holding a quiz evening on Saturday 18th October where you can test your trivia fitness instead!

***Come along to the Village Hall on Saturday 18th October from 6.30pm
and enjoy Hot Dogs and Burgers from Complete Meats and
take part in the quiz from 7.00pm.***

Entry for the quiz will be £1.00 per head to include a glass of wine. Please order your hot dogs and burgers on the form below and enclose the money for your quiz entry and your food order in an envelope marked PTFA Quiz. Please leave it in the tray outside Mrs Harding's office.

You are welcome to form your own team of up to six people or alternatively just come along and we can form teams on the night. For any children that come along there will be a quiz sheet for them to do and a prize for the winner.

It will be a fun start to the new school year and a great way to meet other parents so we look forward to seeing as many of you there as possible.

Many thanks

Kilmington Primary School PTFA
